People ask why I don't debate or argue about supporting Kamala or the Democratic Party.

Here is what I understand as said God by himself:

Ecclesiastes 10:2

2 The heart of the wise inclines to the right, but the heart of the fool to the left."

The Republican Party inclines to the right wing conservative values, while the Democratic Party inclines to left liberal values.

I am not arguing with or supporting a fool. My pastor preached yesterday that "Obedience to God is the highest form of worship." So I will remain obedient.

It's that simple.

It's sad that Kamala Harris is so incompetent that she needs media support to influence outcomes rather than stand on individual merit and accomplishments. That's a classic example of what "equity" does. She is not a Democratic candidate for President, she is a DEI candidate for President.
